

KEEPING YOU INFORMED

## Welcome to our new and improved newsletter

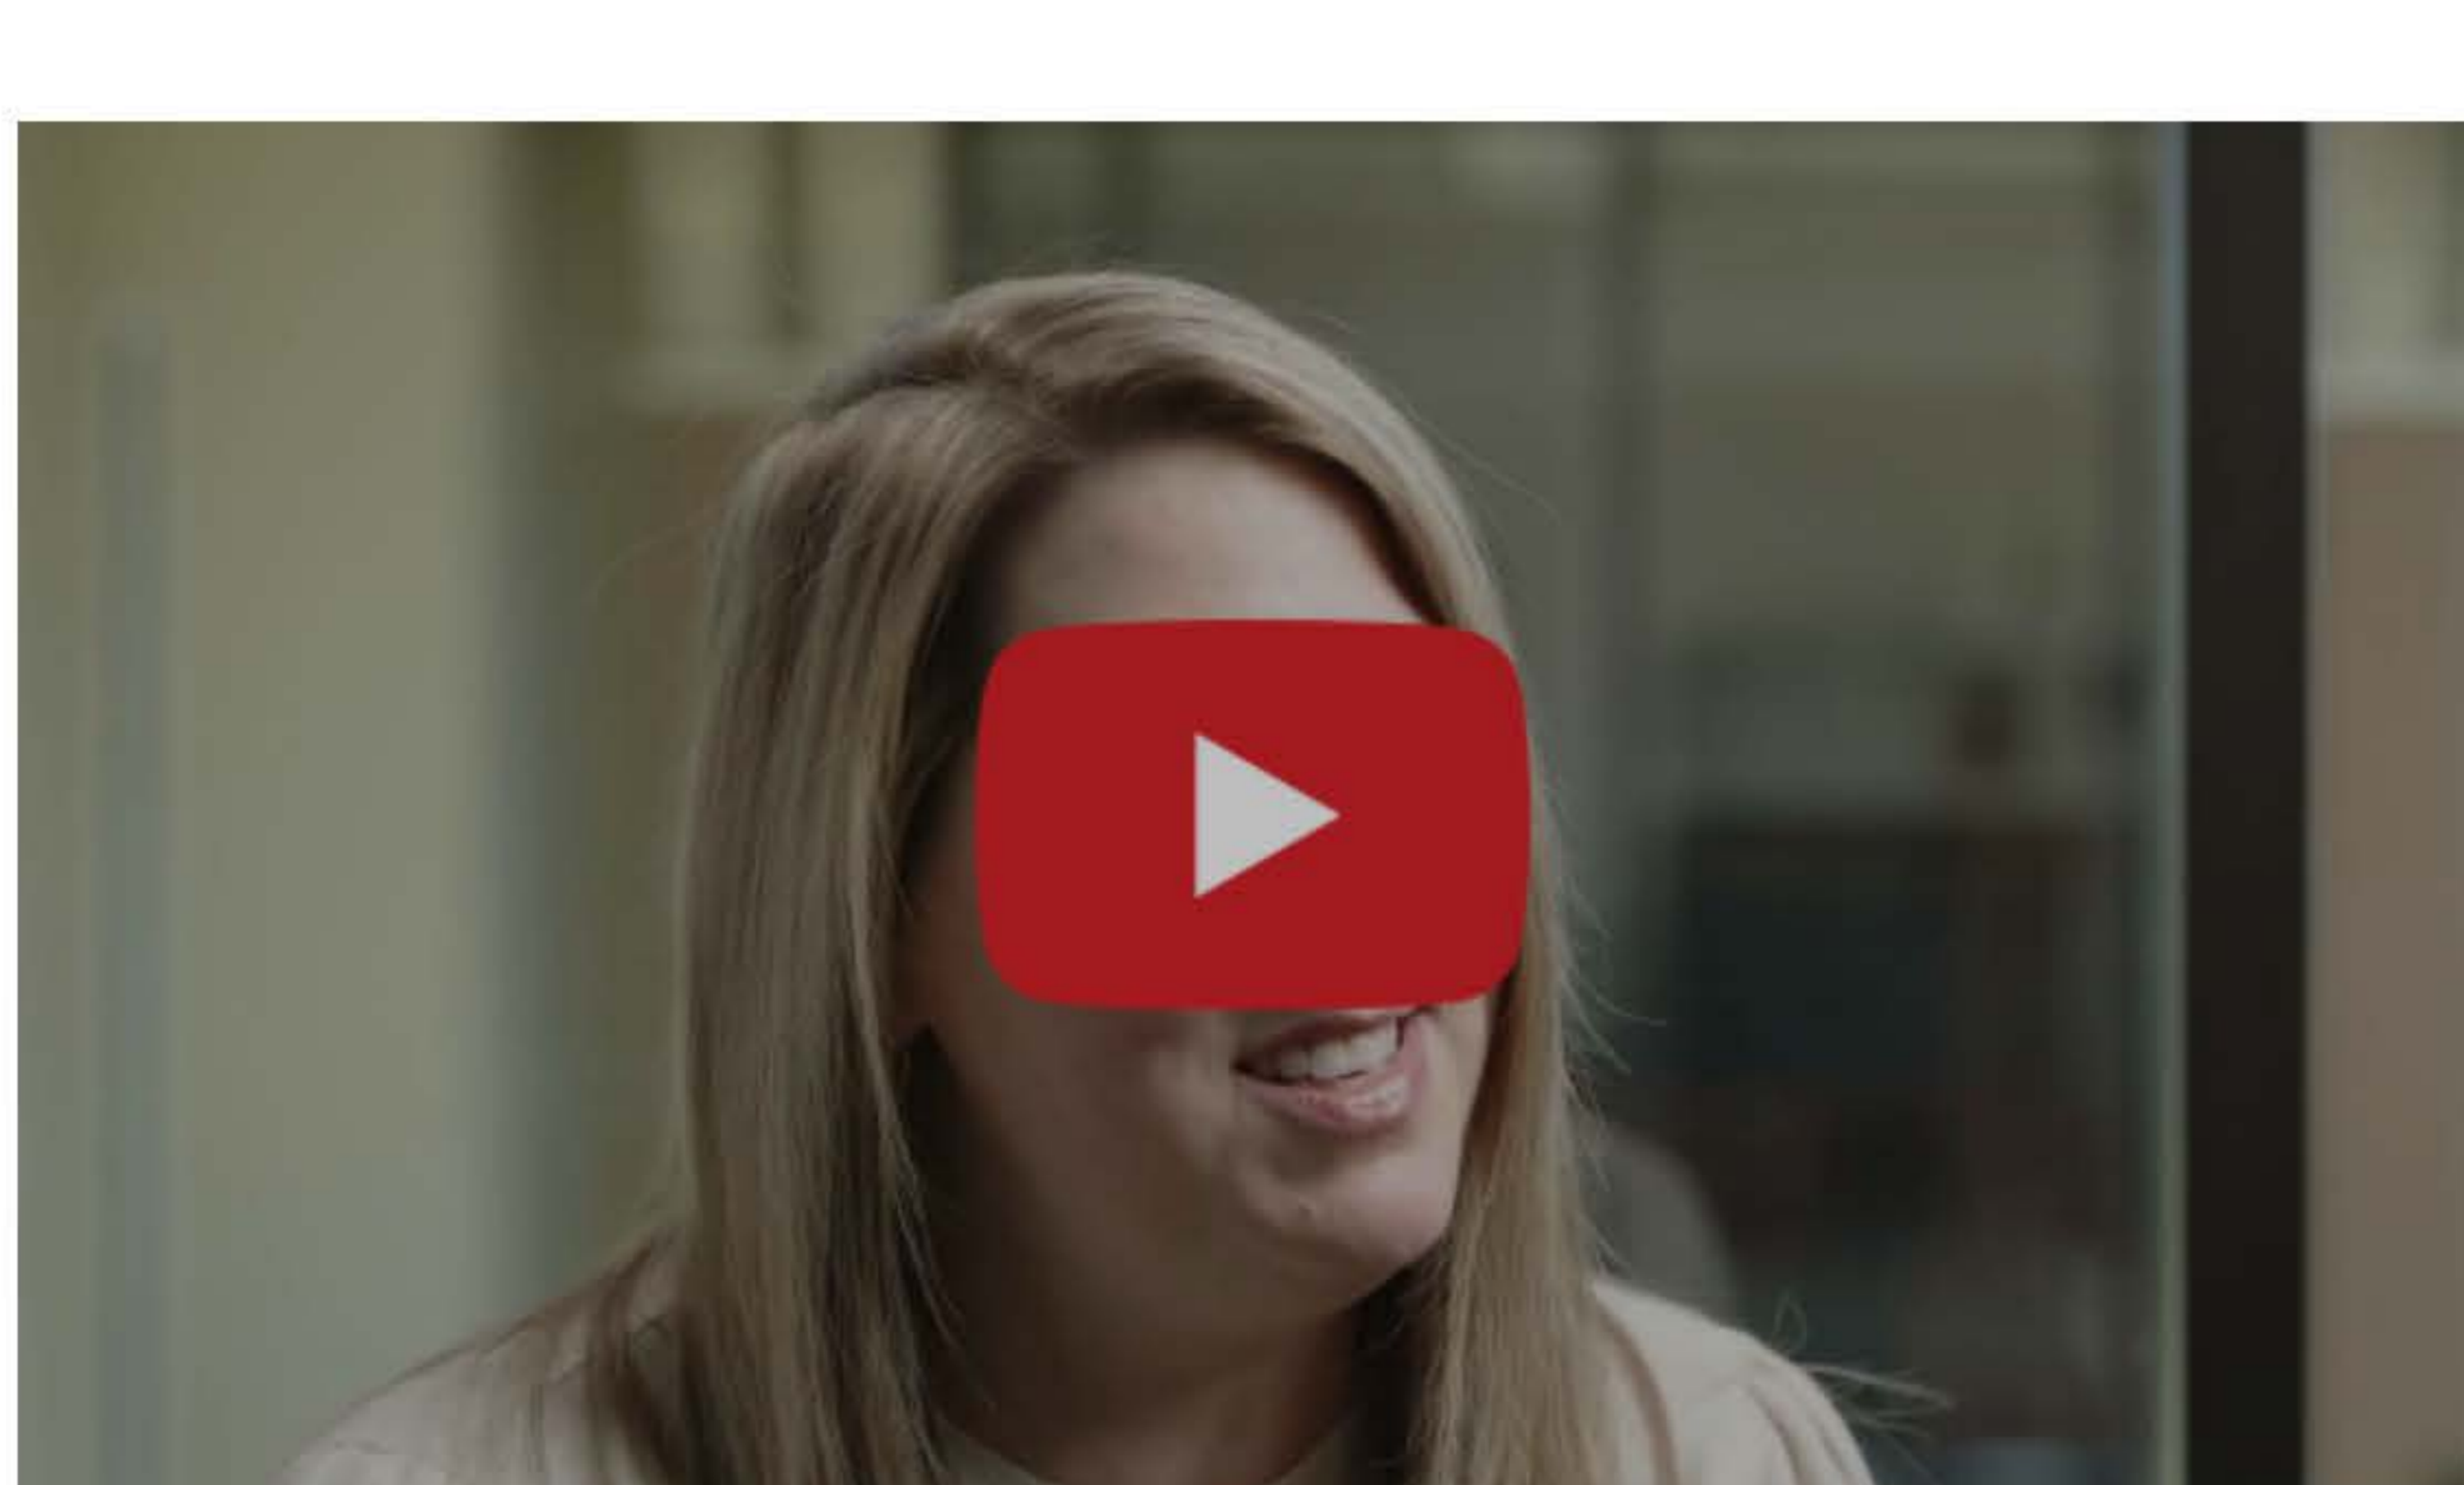

At Premier Anesthesia, everything we do is to move healthcare forward. Part of that commitment is keeping our partners and providers updated about happenings in the industry. Therefore, we would like to introduce our new newsletter full of the latest trends and developments in anesthesia. From informative blogs to job listings, you can count on us to keep you in the know.

### A MESSAGE FROM OUR PRESIDENT, PRESTON SMITH

#### Reflecting on the state of our industry

Many of us reflect on the past year as we start the holiday season. For myself, I think about our treasured partnerships and how we have created a positive impact on healthcare. But, I also recognize that the industry continues to face some challenges. That is why we make it our mission to find ways to overcome roadblocks together so that we can make healthcare better for everyone.

### THE PREMIER MISSION

#### Improving our offerings with an updated design

Everything we do is to serve the greater good and focus on our clients first, which is why our website has a fresh and modern look.

### DELIVERING A BETTER EXPERIENCE

#### Our new website is live

Recently, we realized that moving healthcare forward also included moving our own company and brand forward too. The next time you visit our website, you may notice that it has an updated look. This new website was designed with our client's needs in mind. With a new design, more content, and updated navigation, our goal is to be a valuable resource, delivering information that we hope you find helpful. Check out our new website and see for yourself.

### THOUGHTS OF GRATITUDE

#### A time to give thanks

With the holidays approaching, it brings forward a time to reflect on the past year. As a business, we have a lot to be thankful for – our valued partnerships, the difference we make for patients, and our dedicated team. We want to thank those who have been a part of this journey and look forward to many years of making a positive impact on healthcare together.
